Consulates around the US are receiving letters such as the attached. Could I ask that we be on the alert for similar letters so that we can feed into the situational awareness of our intergovernmental border team? I'm not sure in whose mailbox these would land—but wanted to make you aware and suggest they be scanned in and emailed to me. Given my upcoming vacation and potential travel to KY I'm not scheduled to be in for several weeks so anything placed in my mailbox won't receive attention.

Thanks, Christine
